

BALETKA

Novoletni obesek

Gradivo:

-  bel šeleshamer (risalni list),
-  A4 bel pisarniški papir,
-  nitka (sukanec),
-  šablona motiva (fotokopija).

Orodje in pripomočki:

-  podlaga za mizo,
-  svinčnik,
-  škarje,
-  šivanka.

Postopek izdelave

1. Na bel šeleshamer nariši baletko iz priloge 1 in 2 v velikosti A4 lista. Če imaš možnost kopiranja - nalepi kopijo na trši papir. Nato baletko natančno izreži. Na zgornji strani naredi s šivanko luknjico in vdeni nitko, da jo boš lahko obesil.

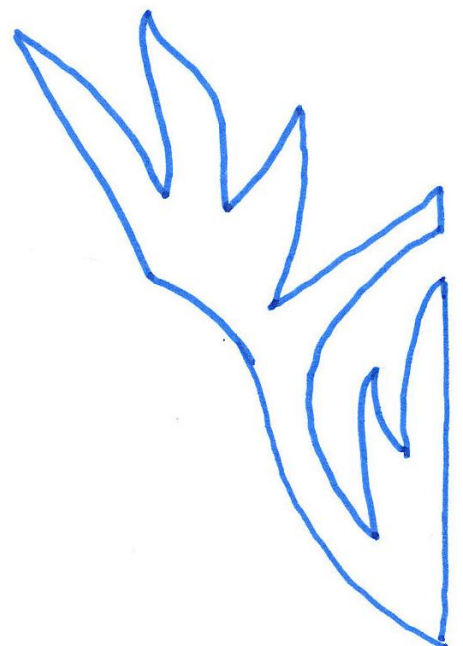

2. Izdelaj snežinko iz belega A4 lista (načrt v prilogi). Baletko narahlo zvij in ji noge potegni skozi sredino snežinke, oblekel si jo v krilce. Obesi si jo nad okno, svojo mizo...

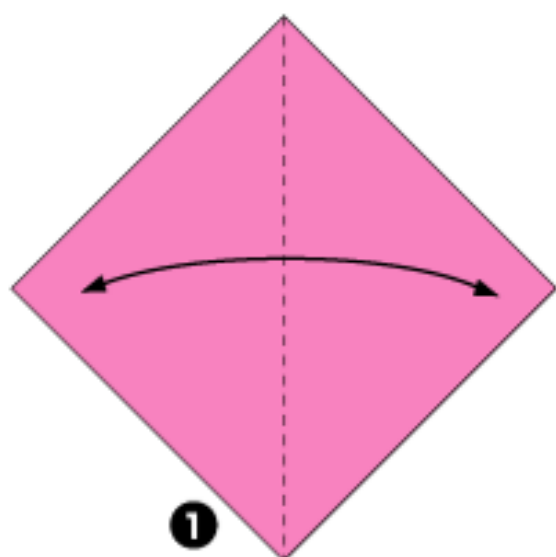

Okrasimo in polepšajmo si svoje prostore z izdelanimi gibajočimi baletkami...
